## THE WOKKER STORY

In 1987 the first Wokker Restaurant opened its doors to a packed dining room and immediate acclaim at Shipp Centre (now known as Clarica Centre). By our fifth anniversary, the restaurant was as busy as ever and regarded as one of the city's best fine dining establishments for truly gourmet Chinese cuisine.

The idea behind The Wokker is simple. Authenticity. We pay attention.

Our focus is on delivering gourmet Chinese cuisine that no other restaurant in the GTA can beat. By combining the culinary ingenuity of one of Hong Kong's best chefs, an atmosphere crafted by an internationally renowned designer, and the highest standards of service, The Wokker aims to create an unforgettable dining experience for every customer.

Be adventurous. Delight your senses and try any of our specialties, like X.O. Sauce with Shrimp & Scallop and Stir Fried Lobster with Ginger & Scallion.

Come by and visit us. We'd love to see you!
